WHY MSC?

A TRULY GLOBAL COMPANY

We bring our customers outstanding global coverage, connecting all of the world's trade centres.

- 480 offices
- 150 countries
- 60,000 staff
- 460 vessels
- 200 routes
- 315 ports of call
- 50 terminals
- 16 million TEU carried annually

WE'RE ALL ABOUT PEOPLE & RELATIONSHIPS

We pride ourselves on offering global transport solutions which perfectly suit the needs of our individual customers, dependent on their industry, their business, and their service needs.

MSC has built its global network based on the local, personal approach – the very approach which ensures all sectors, all products and all businesses are catered for in the best way possible.

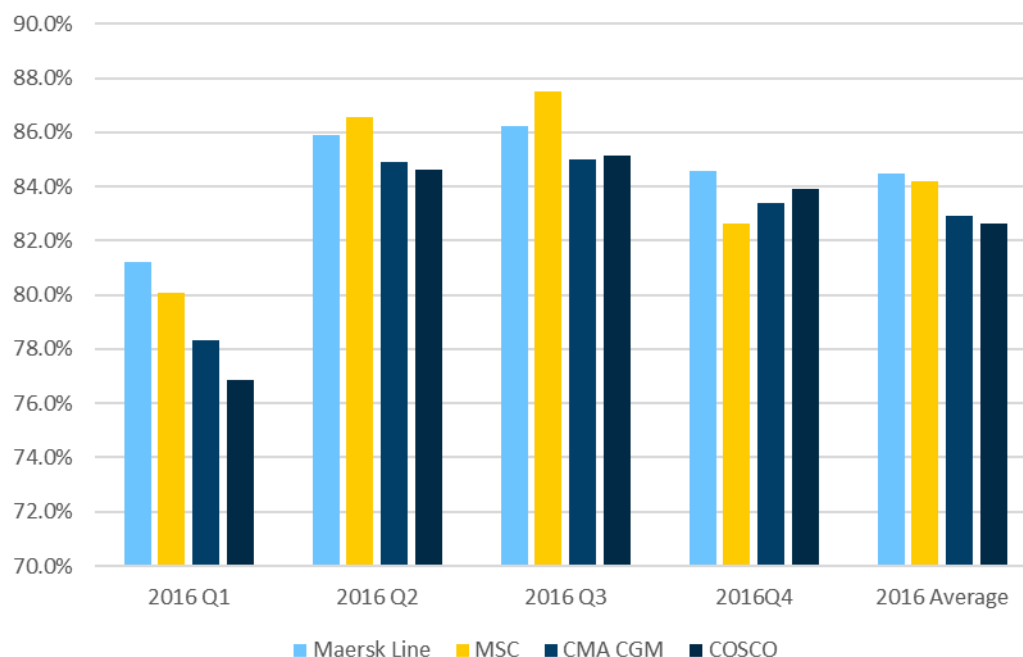

In 2016, MSC consistently performed at the top of the 'Global Carrier Ranking' table; an independent report produced by SeaIntel Maritime Intelligence.

MSC's reliability performance improved by 8.5% versus 2015; the most significant increase of any container carrier in the market.

**Average Reliability Performance
Top 4 Ocean Carriers by TEU Intake Capacity**

A SAFE PAIR OF HANDS FOR YOUR CARGO

At a time of economic uncertainty and challenging market conditions, it is more important than ever that you can rely on a trustworthy transportation partner.

Founded in 1970, MSC's container business has a healthy balance of north-south trades with east-west. This makes our revenue less volatile and, therefore, less risky than other businesses.

The MSC Group has diverse interests in terminals, logistics, passenger ferries and luxury cruises.

SUSTAINABILITY IS CENTRAL TO OUR STRATEGY

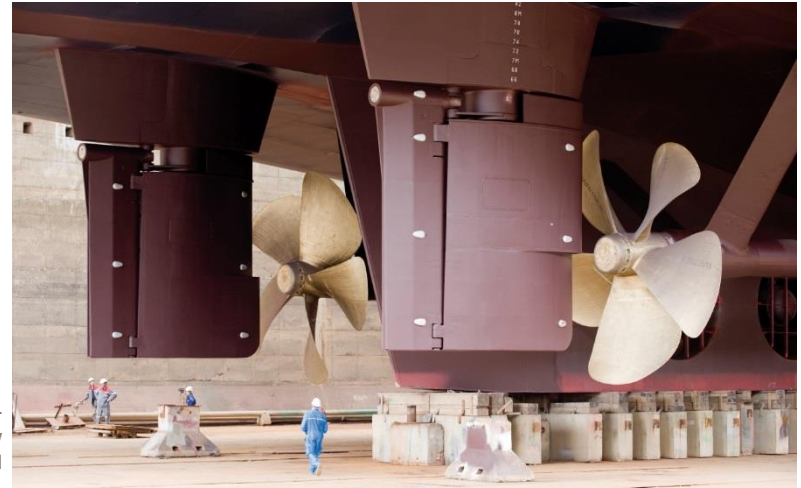

MSC Group has four pillars of CSR development:

- Care for the Environment
- Ethical and Responsible Conduct
- Care and Investment in our Communities
- Developing and Nurturing our People

2016 Key Highlights:

- UNICEF 'Get on Board for Children' campaign has raised over €6,000,000
- Reduced GHG emissions of containership fleet by over 27% in 2016 alone
- LNG engines for future Cruise ships
- Member of the UN Global Compact
- Signatory of the Buckingham Agreement
- Robust ship-recycling policy; in accordance with the Hong Kong convention.
